Puzzle answers

Next pictures, top to bottom: ghost, ghost, star, ghost.

Before you begin

Print pages 1-6 for your child. Keep pages 7-8 for yourself.

Bring pencils or crayons. The paper project also needs scissors for a grown-up; the postcard or flags may need tape.

Read prompts aloud as needed. Let your child draw or explain an answer instead of writing. There is no time limit.

These are play activities, not an assessment. Try one page first and stop or change level when your child wants to.
