

A little color, a little joy.

Choose your colors and make this page your own.

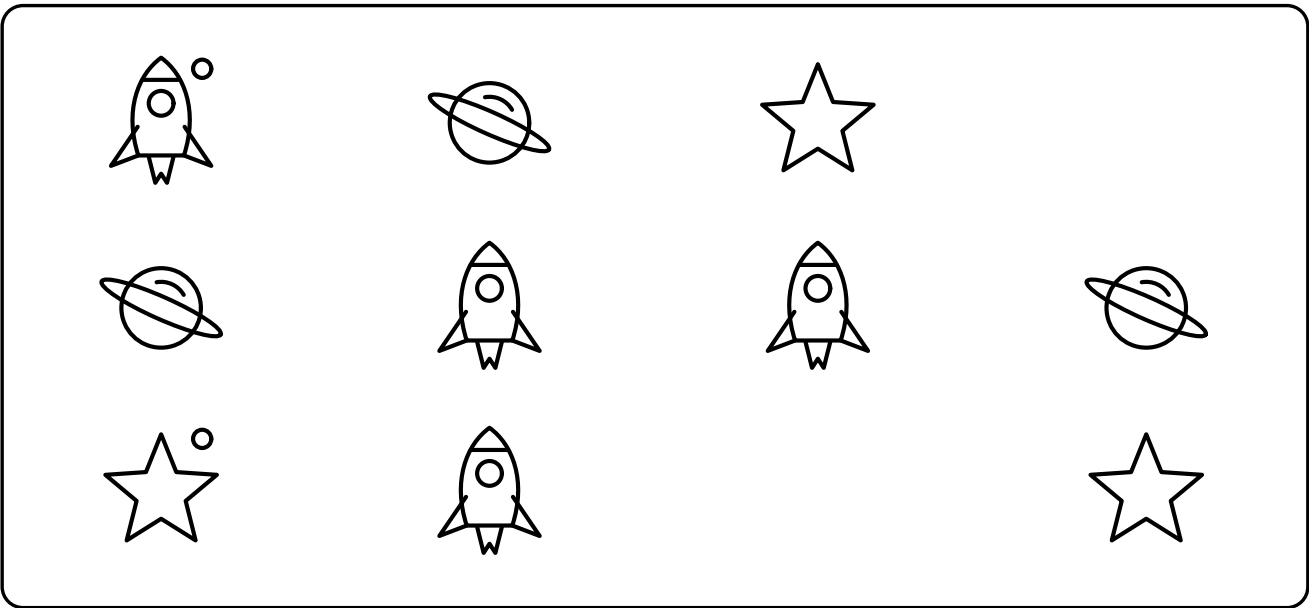

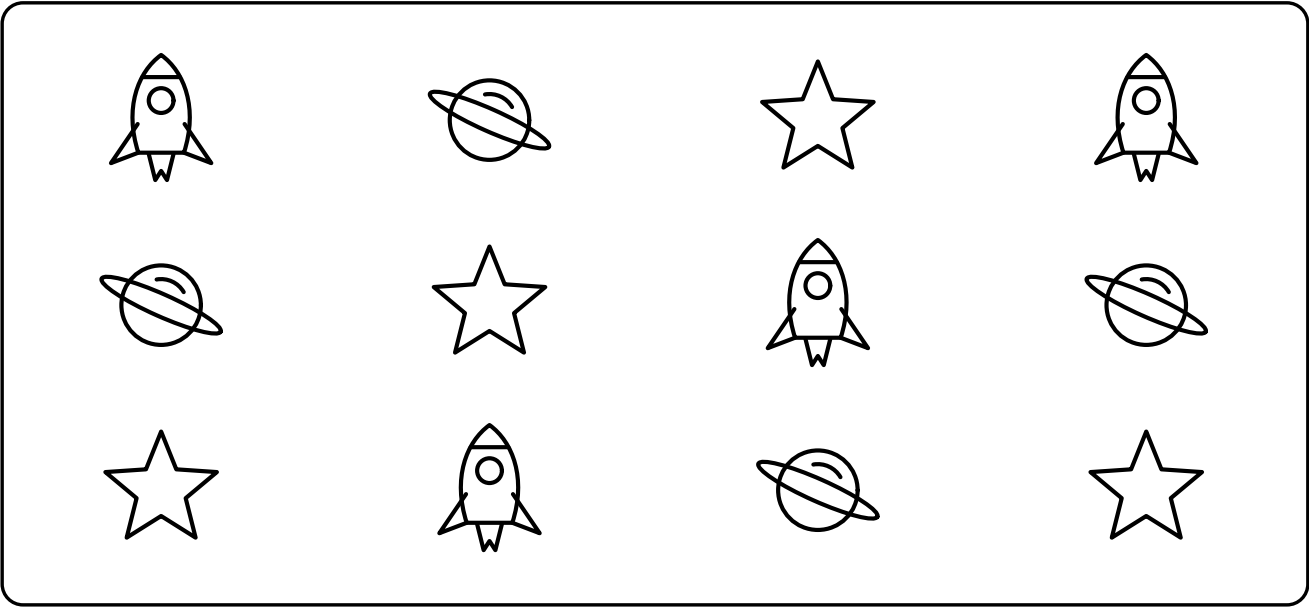

My colors. My imagination.

Spot five changes.

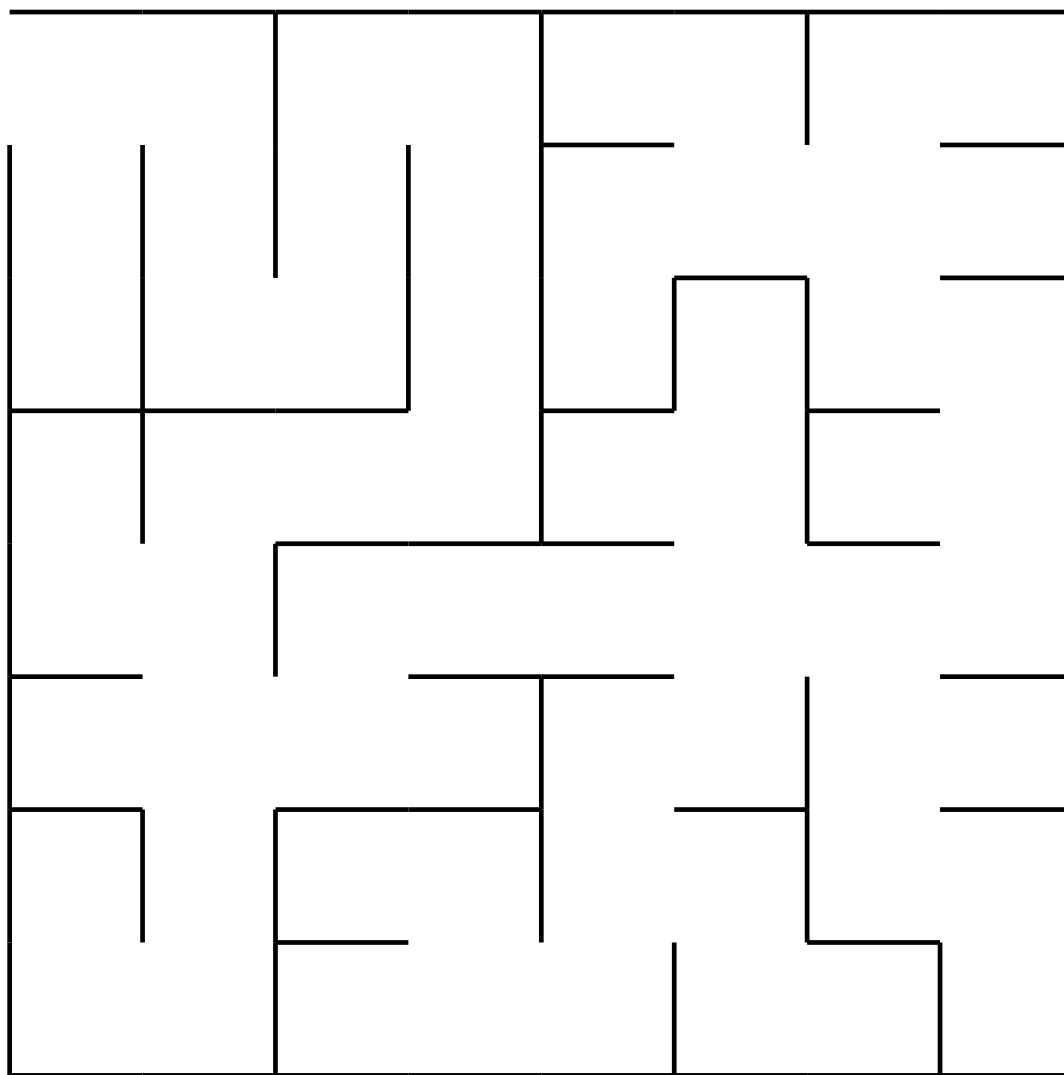

Compare the two pictures. Circle five changes in the bottom one.

Find your way.

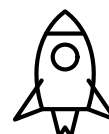

Start at the opening on the left. Finish at the bottom right.

START

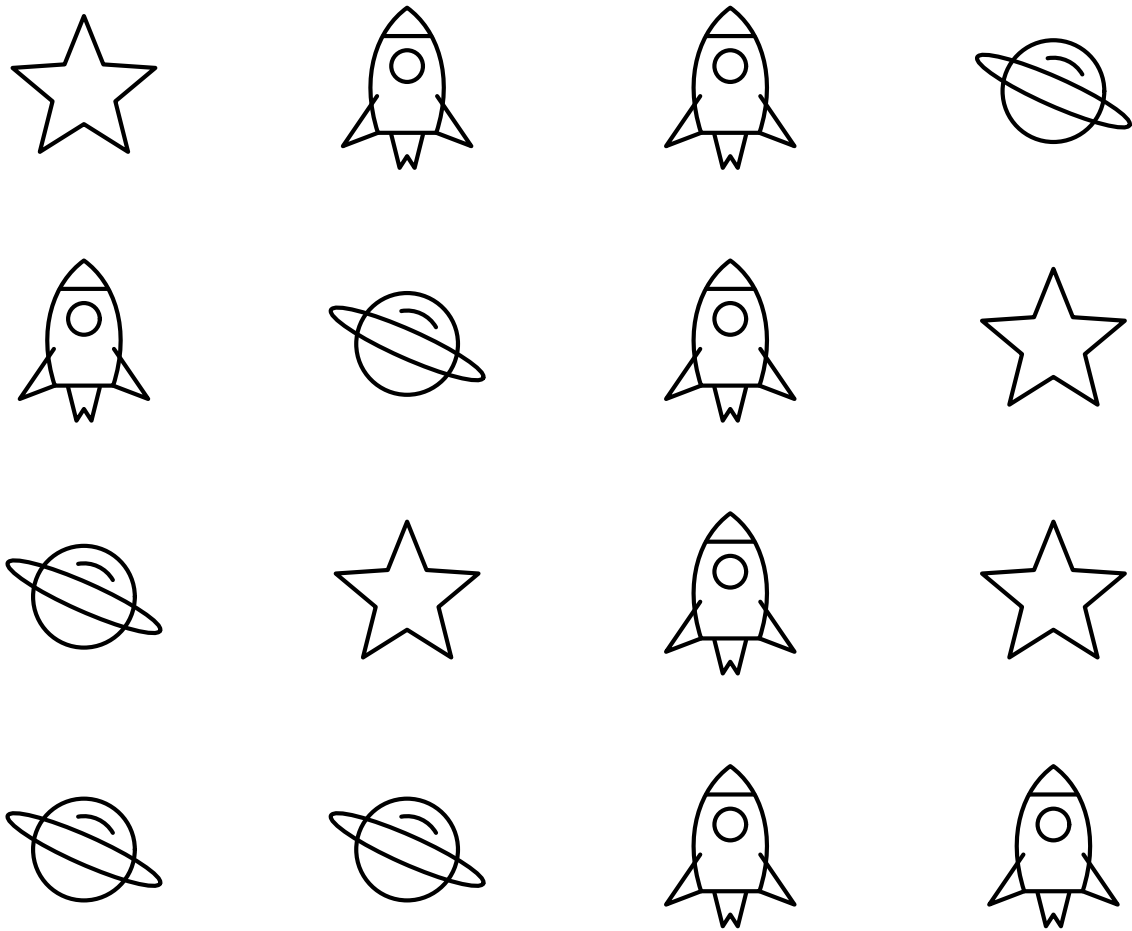

FINISH

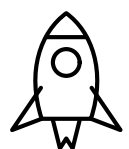

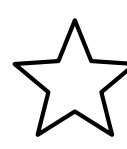

Try a pencil first. Then trace your path in color.

Look, count, color.

Count each kind of picture. Write the totals in the boxes below.

					
---	----------------------	---	----------------------	---	----------------------

Over to your imagination.

Draw a planet nobody has discovered yet. Give it a name.

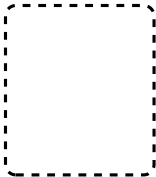

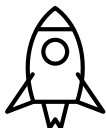

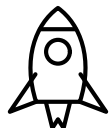

My creation is called: _____

One thing I love about it: _____

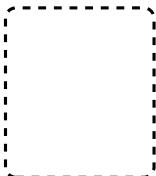

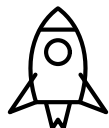

What comes next?

Look at each pattern. Draw the next picture in the empty box.

A little helping hand.

Answer key - spot five changes. Keep this page for a grown-up.

The five changes

1. Row 1, picture 1: extra circle.
2. Row 1, picture 4: missing picture.
3. Row 2, picture 2: different picture.
4. Row 3, picture 1: extra circle.
5. Row 3, picture 3: missing picture.
